STATUS OF COUNTY ORGANIZATION

Home Demonstration work in Cochise County has been carried on through the County Farm Bureau, Pioneer Club at Cochise, Mother's Club at Webb, W. P. A. at Bisbee and the County Fair Board. All other groups have been organized by the Home Demonstration Agent. These are the Stewart Homemakers Club, Sulphur Springs Homemakers Club, The Westside Community Club at Paul Spur, the Valley Woman's Club at Whitewater, Double Adobe Homemakers, Portal, Rucker Canyon, Riggs Settlement and South Bisbee.

The following groups are organized with officers and a Program of Work: Mother's Club at Webb, Stewart Homemakers Club, Sulphur Springs Homemakers Club, Pioneer Club at Cochise, Westside Community Club at Paul Spur, the Valley Woman's Club at Whitewater, Portal, South Bisbee and the Double Adobe Homemakers. The following have not set up a definite organization: Riggs Settlement, and Rucker Canyon.

As soon as groups are ready it has been recommended that they organize with officers and a constitution.

To cover the county the first week of the month is scheduled in the north part of the county. The second week is reserved for 4-H clubs. The third week to the central communities, and the fourth week the south end of the county. An effort has been made to keep Saturday and Monday for office work, and preparation of demonstration material.

PROGRAM OF WORK

Factors to be considered in developing the 1939 Program of Work:

1. Size of County - Distance between communities and scattered homes.
2. Limited expense account.
3. History of project.
4. Need for work - Where? - What? - Equipment to work with?
5. Present progress of development.
6. Spirit of cooperation and help given to Agent.
7. Present economic Situation.
8. Requests for work, which could not be met on account of time and mileage.
9. Increased home gardens and the need of caring for this surplus.
10. Suggestions from State Agent.
11. Definite days for office work.
12. Definite days set aside for miscellaneous or emergency work.
13. Cooperation with outside organizations such as Vocational, Fairs, Parent-Teachers and Federated Clubs.

Bertha Wirmond, Cochise County, Arizona. 1938.

HOMEMAKERS CLUBS

History - See 1935, 1936 and 1937 reports. The Homemakers groups of this county have been carrying the outline as suggested by the State Home Demonstration Agent for the past four years.

Homemakers Clubs were discussed as organizations for the past three years. This year the work was such that most of the programs could be reported under Projects and have been included in Project reports. However, these clubs have done so much not included in subject matter that it would seem worthwhile to give a brief summary.

Assitinal groups have used these outlines for miscellaneous work. However, the Stewart, Sulphur Springs, Double Adobe and Whitewater groups have completed three years requirements. These outlines have been used as the basis for each meeting. The one criticism has been that the Agent has had to do most of the work. However, in each group each woman has assisted and in some cases they have given demonstrations. Each year at the annual birthday party, which is really the achievement day of the Stewart Homemakers, Miss Frances L. Brown has been present and has listened to a review of the years work.

The Homemakers groups of Stewart and Double Adobe have attended the County Farm Bureau picnic for the past three years. At such meetings these has been much enjoyment in comparing notes on what various clubs are doing and by this comparison to see what can be done to make their organizations better.

The Stewart Homemakers have sponsored a Harvest Festival, discussed under miscellaneous work. They have sponsored two doughnut sales, one for the benefit of the Library and the other for the Children's Home.

The sulphur Springs Homemakers have completed the required third year demonstrations and have had ten meetings during the year. They have maintained their club room but have had no new equipment. They have taken care of the sick, remembering each club member who has been sick with letters, flowers and baskets of food. They presented the agent with a beautiful blanket during the past year.

Double Adobe Homemakers have spent much of the past year on activities within their own community. Each month a member of the Homemakers group or a committee of several members has served a community dinner to the local Farm Bureau organization. These have been quite elaborate affairs. Their club room has been decorated and dinners have been beautifully served and a program furnished for the evening.

Bartha Virmond, Cochise County, Arizona. 1938.

These Homemakers have sponsored dances to earn money for Christmas treats for the children in the community. They have added to their kitchen equipment, and can now serve 60 guests. The kitchen has been remodelled and redecorated.

A gift of a \$5.00 fountain pen was presented to Barbara Porter, State 4-H Winner in canning, by these Homemakers.

The Whitewater Homemakers, known as the Valley Woman's Club, have been unfortunate in not having a Club Room of their own. They have had to meet in each others homes but at the same time they have been able to carry on a worthwhile years work. They have completed fifteen of the outlined demonstrations, which are reported under projects. They have sponsored two community dinners, one Rabbit Drive, and paid the way of one 4-H girl to the Annual 4-H Round-up, as well as the Leader, Mrs. Kelly. A Dress Revue, reported under projects, was more than a project meeting. It has interested the whole community in Home Sewing and the Homemaker's Club.

A summary of the paragraph on Homemaker's Clubs should include a statement of the confidence and help that these organizations have been to the Agent. They have assisted in keeping the mailing lists up to date, in keeping the Agent informed on the type of work needed in the Community, and of any new comers whom the Agent should contact. They have given freely in looking after 4-H girls when they need material, places to meet, transportation and in every way assisted the Agent. The Agent feels free to call on Homemakers groups for any cause.

Bertha Virmond, Cochise County, Arizona. 1938.

NUTRITION

Food Preparation

On account of the shortage of cooking equipment the Agent has avoided Food Preparation as far as possible in previous years. However, feeling that the time had arrived for such a project, plans were made that required as little equipment as possible. The interest has been keen and the results very satisfactory. More work has been asked for in each community.

While the Agent has planned each demonstration and has given most of the demonstrations, each group has donated their experiences and in many places they have put on half of the work themselves. They like this and have gained a lot of confidence in themselves.

Food Preparation has been a summer problem. Demonstrations have been given in the following communities: Sulphur Springs, Cochise, South Bisbee, Forest Station, Double Adobe, Webb and Whitewater.

The following demonstrations have been given to the above groups:

Sandwiches - Dainty and Substantial

The School Lunch Box

Angel Food and other Sponge Cakes

Ice Cream and Ices

Foods for Hot Weather - Salads

Desserts

Summer Drinks

Bread - Given by Miss Brown

Use of Evaporated Milk - Given by Miss

Millicent Atkin. A fine demonstration

in which she made eight dishes and included up to the minute knowledge of Nutrition.

Holiday Menus

Each of the above demonstrations was preceded by an outline of the Food Principles as set up by Mary Swartz Rose.

The Douglas Woman's Club has been responsible for bringing Prof. H. V. Smith into the community to discuss the progress of the work on Mottled Enamel and especially the control of flourine in water.

The Agent has co-operated with the Cattle Grower's Association in distributing information on Meat Cookery.

Bertha Virmond, Cochise County, Arizona. 1938.

. The Emergency Meal shelf was suggested to canning groups and help given in the planning of meals using Home Canned Foods.

There has been much interest in the collection of choice recipes. The Valley Woman's Club has had their collection typed and are using these as a Christmas Suggestion.

The Forest Station group is using the card index. Before these recipes are handed out, each woman brings the dish already prepared, or prepares it before the club. This is her donation to the covered dish lunch.

Three groups are using a homemade filing case for their clippings and suggestions. These are Portal, Cochise and the Valley Woman's Club.

During the year 28 days were devoted to adult Food Preparation. Specialist Help was limited to 2 days assistance. 8 communities were contacted with 7 voluntary leaders assisting 24 days. The Agent gave 27 method demonstrations and wrote 9 circular letters. 26 office calls were received asking for information on this project.

4-H Baking Clubs. See pages 23, 24, 25

NUTRITION

Food Preservation

History - See 1930, 1931, 1932, 1933, 1934, 1935, 1936, and 1937 reports.

In 1930 the State Agent suggested Food Preservation as a major project for Cochise County. The work has been continuous since that time. The same general methods have been used. In the spring and summer months the following demonstrations have been given:

- Fruits and Tomatoes
- Non-acid Vegetables
- Jellies
- Use of the Pressure Cooker
- Use of Sealers
- Canning of Meats
- Use of Canned Foods
- Special Canning Problems

The county has been covered with this information. During the past year demonstrations have been given at Sulphur Springs, Stewart, Double Adobe, Willcox, Cochise, South Bisbee and Bisbee. Miscellaneous discussions have been held in connection with other meetings.

Canning for exhibits has been encouraged as a method of improving the quality of home canning. Nice incomes have been received from this type of canning. Mrs. Carter of the Stewart district collected \$37.00 at the recent County Fair. Mrs. Gordon \$25.00 in the same Fair. Miss Margaret Ellis collected \$15.00 in the Junior Division.

Each year Cochise women have won the state contest sponsored by the Kerr Glass Mfg. Co. This amounts to \$10.00 to \$20.00 each year. Three communities have won Pressure Cookers for their Clubs. Two have won sealers. 36 dozen jars have been distributed to outstanding canners each year by the Kerr Glass Mfg. Co. At the present time the Stewart Canning Club is getting together canning to sell to the Kerr Glass Mfg. Company.

Each year there is an exhibit of canning known as the Harvest Festival held in Willcox. 512 jars were exhibited this year. This is an opportunity to sell farm products to Willcox homes.

Bertha Virmond, Cochise County, Arizona. 1938.

Canning groups steam fruit cakes in their pressure cookers. The cans are then sealed and processed. If let alone the fruit cake will be moist for months and so convenient on the "Emergency Meal Shelf."

The county canning contest was won by Mrs. Ray Trappman and second place by Mrs. Lois Neal. The State Contest will be held in January.

20 days of work were reported under this project. 5 communities were given special canning demonstrations with 3 leaders who reported 8 days work. 19 method demonstrations were held by the Agent with 20 farm or home visits in the interest of canning. 76 office calls were received. An estimated report of 41,800 quarts of home canning has been reported by the Agent but this is probably a very low estimate as the Agent has no way of checking homes which are not represented at Homemakers Clubs.

4-H Canning Clubs. See pages 26, 27

CLOTHING

History - See 1930, 1931, 1932, 1933, 1934, 1935, 1936 and 1937 reports.

The Clothing project has been carried in the Plan of Work since 1930 and a history of this project is included in of 1930 to 1937 inclusive. The Sewing Machine Clinic in 1937 was the most helpful work that has been done during this time.

Work with the Clothing Specialist in 1938 consisted of 6 demonstrations in each of 6 communities. This was a series of Knitting Demonstrations for beginners and advanced knitters. 100 women enrolled and 50 completed the six lessons and made one or more finished articles. 65 garments other than sample knitting were completed by women in South Bisbee, Valley Woman's Club, Riggs Settlement, Cochise, Sulphur Springs and Stewart.

The Agent has given 15 demonstrations to Double Adobe, Valley Woman's Club, Portal and the Webb Mother's Club. Outstanding among these was the work of the Valley Woman's Club. After a series of demonstrations by the Agent 18 women entered a contest selecting a simple house dress as the contest number. They were given two months to complete the work and a special meeting was held where they were commented on by the Agent, using the principles set up in the previous lesson as a basis for these criticisms. The women were very proud of their efforts and the meeting was unusually large and helpful. The style revue which followed was especially interesting.

Dress Forms - A special request by 8 women for Dress Forms in the Forest Station group resulted in a final check of 32 dress forms. The Riggs Settlement group asked for a dress form demonstration and completed 6 dress forms.

Sewing Machines - Assistance has been given 8 women with cleaning and adjusting sewing machines.

Cleaning Demonstrations - Three Dry Cleaning Demonstrations were given at Sulphur Springs, Willcox and Double Adobe.

Personal Assistance - The Agent has assisted 11 women in fitting garments and 4 with the alteration of patterns.

29 days of the Agent's time were given to adult Clothing work in 9 communities. 8 leaders assisted 260 days. 51 method demonstrations

Bertha Virmond, Cochise County, Arizona. 1938.

A few of the 60 garments completed as a result of 6 knitting lessons by the Clothing Specialist. Even the Office Steno got the fever.

Buttons and Belt Buckles made by
Mrs. P. P. Dearing, Stewart.
Some mulberry, others mesquite.
She sells the buttons for \$1.00
a dozen.

Belts - center made by Mrs. Martha
Good, Paul Spur.

Belts. Women, 4-H girls and boys,
everybody, makes the Mexican belts.
There is ready sale at \$1.00 each.

were given by the Agent and Specialist, the Specialist devoting 17 days. 13 home visits were made, 16 circular letters written and 50 office calls received.

4-H Garment Making Club. See pages 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40

Bertha Virmond, Cochise County, Arizona. 1938.

HOME MANAGEMENT

History - See 1930, 1931, 1932, 1933, 1934, 1935, 1936 and 1937 reports.

In the past years Home Furnishings and Home Management were reported under Home Improvement.

The Home Management Specialist has outlined the work that has been offered in this county. She has spent $10\frac{1}{2}$ days in the county and the Agent has spent 21 days. 13 communities have been visited. 30 demonstrations have been given, 9 circular letters issued, 7 home visits made and 19 office calls received in the interest of this project.

Cleaning demonstrations were given at Portal, Valley Woman's Club, The Cactus Club at the "Smelter" near Douglas and the W. P. A. in Bisbee.

The Specialist gave 2 Laundry Demonstrations, 3 on the Scheduling of the Homemaker's time and 4 on the Arrangement of furniture. Convenient Storage Spaces was given to 3 groups.

Home Accounts - The Home Management Specialist has had charge of the Home Accounts in the county. The following women received account books at the beginning of the year but a final report has not been received from this group.

Mrs. Robert Ellis - Forest Station
Mrs. S. L. Klutz - " "
Mrs. S. V. Hoopman - " "
Mrs. L. M. Spencer - " "
Mrs. Henry Elvey - " "

Mrs. I. W. Rhoades - South Bisbee
Mrs. O. V. Wright - " "
Mrs. Frank Davis - Webb
Mrs. L. F. Tschirhart - Warren
Mrs. Emma Bouldin - Elfrida
Miss Betty Craig - Willcox

Bertha Virmond, Cochise County, Arizona. 1938.

There is always enough left of any inner tube to make these cuddly-toys. Cut with tin snips and a few stitches around the edge. No cost, and good looking. Cochise Pioneer Club.

Even grown-ups like homemade dolls and Christmas started with the Pattern Demonstration

A place for
everything and
everything in
a place. The
Filing System
used by Portal
Homemakers.
It folds up
when not in
use.

Everybody made one! Portal Homemakers.

The Cochise Pioneer Club has made a collection of hot dish holders. They have an assortment of 50 styles which they sell for from 10¢ to 20¢ each. Three women do all the crocheted ones. They have more orders than they can fill.

Christmas Gifts - The Home Management Specialist gave an interesting demonstration on Christmas Gifts that could be made at home.

Filing Cabinets - Filing cabinets have been made by groups at Cochise, Riggs Settlement, Rucker Canyon, Valley Woman's Club and South Bisbee.

HOME FURNISHINGS

History - See 1930, 1931, 1932, 1933, 1934, 1935, 1936 and 1937 reports.

Women are always interested in making the best appearance possible in their homes. Special meetings to encourage this phase of homemaking have been scheduled each year. These meetings have included exterior as well as interior helps. An outgrowth of this project is the Garden Club at Stewart. Feeling that the women needed more time and study on the development of the yard, this group was organized for special study, and have a flourishing organization which meets each month with a program planned for the year. While the Agent has acted only as an advisor to this club, she still feels this is a part of the Home Furnishings Program.

Home Furnishings as a project has been carried on in Cochise, Portal, Double Adobe, Sulphur Springs, Forest Station, South Bisbee, Whitewater and the Webb Mother's Club, Stewart San Simon, Rucker Canyon, and Riggs Settlement.

The Agent has devoted 26 days to this work. The Home Furnishings Specialist has devoted 5 days. The Agent and Specialist have given 35 method demonstrations. 11 circular letters have been distributed and 25 home visits made. 40 office calls have been received.

Specialist Help

Work meeting - The Home Furnishings Specialist had charge of a work meeting in South Bisbee. 16 women completed kitchen stools, knife and fork boxes, broom holders and lid holders. These articles were sanded and finished in paint, enamel, stained or varnished.

The Specialist supervised the making and finishing of 9 shoe racks. These were well made and all finished in a different way so as to show how to get different effects.

A worthwhile demonstration on Emergency Storage Spaces included suggestions for closets, cupboards, additional shelves, hat boxes and shoe racks.

The Specialist gave an interesting demonstration on the Arrangement of Furniture to groups at South Bisbee, Forest Station, Portal, San Simon and Sulphur Springs.

Bertha Virmond, Cochise County, Arizona. 1938.

A meeting on the making of Homemade Christmas Presents and a talk on her recent visit to Hawaii were an interesting part of the Specialist's meetings.

Re-Upholstering

The Agent has had a series of meetings on the re-tying of springs in chairs and davenports. This included all types of springs. 10 chairs have been re-conditioned, 1 davenport completely done-over and made into an overstuffed. 3 davenports re-conditioned and re-upholstered. Springs have been put in new pockets in 9 cushions and the pillows re-covered.

Curtains

The Agent has made a demonstration kit of Kitchen Curtains to use in re-arranging kitchens. This material has been used in 12 communities and has been helpful as the curtains are very inexpensive.

Rugs

About once a year there are requests for homemade rugs. An effort has been made to collect ideas and patterns that can be reproduced with little or no expense. These include hooked rugs, braided, crocheted, knitted and novelties. Exhibits on achievement days show that the women make use of this material.

Demonstration Kits

The Stewart women presented the Agent with a collection of household gadgets that have been much used in demonstrations.

Mattresses

Two mattresses have been renovated and 3 re-covered.

Slip Covers

5 slip covers have been made.

Quilts

Two demonstrations have been given on quilts. Assistance has been given in planning 27 patterns for quilts. 3 community quilts have been made, one sent to the Children's Home and two sold for club funds.

Club House Furnishings

Assistance has been given to women on committees in Double Adobe to make trays for their club room. 12 trays have been made and decorated.

FOURTH ANNUAL BUCKEYE VALLEY
BOYS' AND GIRLS' AGRICULTURAL FAIR

April 102, 1938

Held at
Buckeye Grammar School

ALL ENTRY BLANKS MUST BE IN THE BUCKEYE GRAMMAR SCHOOL OFFICE

BY MARCH 26, 1938

COMMISSION

W.R. Sullivan, Chairman
Charles Fillerup, Secretary
L. Joslin
Newton Kell

SUPERINTENDENTS

General Superintendent	W.R. Sullivan
Publicity and Records	Charles Fillerup
Finance	A.L. Mercer
Grounds	Louis Joslin
Program	Allen B. Cutter
Sheep and Swine.	
Dairy	J.N. Langdon
Poultry	Newton Kell
Baking and Candy.	Miss Elizabeth Sherwood
Household Arts	Miss Neva Layton
Manual Arts.	Clyde Caffey
Pets (Cats and Dogs)	R.V. Cooper
Health	Mrs. Alma Styles
Boy Scout	Allen B. Cutter

SCHEDULE

Friday, April 1 10:00 A.M. Home Economics, Industrial Arts and
Boy Scout exhibits in place

1:00 P.M. Judging of above exhibits

5:00 P.M. Poultry exhibits in place

Saturday, April 2 8:00 A.M. Fair opens

9:30 A.M. All exhibits in place

10:00 A.M. Judging of Poultry & Swine exhibits

10:00 A.M. Agricultural Judging Contests

10:00 A.M. Home Economics Judging Contests

10:00 A.M. Health Examinations

11:00 A.M. Judging of Dairy Cattle, Hogs,
Sheep and Pets

12:00 NOON Picnic Lunch

1:30 P.M. Program

2:30 P.M. Ball Game--All Star Boys' Team
v.s. Adults

ELIGIBILITY

Any boy or girl in the territory west of the Agua Fria River who is under 18 years of age may compete. Division I, Grammar School--all children eligible for the 3rd grade to the 8th grade inclusive; Division II--open to those who are eligible for work in high school and under 18 years of age.

Only those having exhibits in the Fair will be allowed to compete in the Agricultural and Home Economics Demonstration and Judging Team Contests. Application for these contests must be in the Secretary's office (Duckeye) by March 30 to be checked by the Executive Committee.

PRIZES

The Buckeye Fair will present prize ribbons to winners in each class. Ribbons will be awarded according to quality.

EXHIBITS

All Home Economics, Industrial Arts and Boy Scout exhibits must be delivered to the Fair by 10 o'clock Friday morning, April 1. All Poultry exhibits must be in place by 5 o'clock Friday, April 1. Other exhibits must be in place by 9:30 o'clock Saturday, April 2. All Home Economics and Industrial Arts exhibits must have been made by the exhibitor within the current year.

Exhibits which do not come under classifications in the premium list will be for exhibit only.

RESPONSIBILITY

The Fair officials will execute proper care with all exhibits, but will not be responsible in any way for loss or damage to exhibits.

CARE OF LIVESTOCK

Exhibitors must care for all livestock--see that it gets the necessary water and feed during the Fair. All livestock must be owned and cared for by the exhibitor, and must have been their property at least 60 days before the Fair.

RELEASE

No exhibits may be removed before 3 P.M. Saturday, April 2.

NOTE

Two or more exhibits entered by the same person constitutes competition.

CONCESSIONS

Application for concessions must be made to the Executive Committee by 5 P.M. March 26.

HEALTH DEPARTMENT "H"

SUPERINTENDENT--Mrs. Alma Styles

Each school district may select one boy and one girl for entry in the Health Contest. The contest will be judged by a physician according to the Agricultural Extension Service score card. This examination will take place at 10 A.M. Saturday, April 2.

CLASS I BOY CHAMPION

- Lot 1, Grammar School
2. High School

CLASS II GIRL CHAMPION

3. Grammar School
4. High School

CLASS III POSTERS -- Subject Matter

5. Any safety precaution
6. Health habits
7. Personal care and hygiene

All posters should be constructed on paper size 12" x 18".

BOY SCOUT DEPARTMENT "Y"

Note: Entries will be classified by the Superintendent of the department and placed in 4 lots. Each lot will be judged separately.

SUPERINTENDENT--A.B. Cutter

CLASS I BOY SCOUT EXHIBITS

- Lot 1,2,3,4,

DEMONSTRATION TEAM CONTEST DEPARTMENT "O"

There will be a demonstration team contest for boys and girls as a part of the Saturday afternoon program. All those having exhibits in the fair are eligible to compete in a demonstration team.

All material used during the demonstration must be arranged for by the team or its leader. Subject matter pertinent to Home Economics, Agricultural, Health or Boy Scout work should be used in the demonstration. Teams must handle their equipment without assistance from their leader from the time they enter the demonstration room. Any assistance necessary must be obtained through the chairman of the judging committee.

For further details as to assistance and subject matter, call on the County 4-H Club Office, 1201 West Madison, Phoenix, phone 4-2133, or see your boy scout leader.

CLASS I DEMONSTRATION TEAM CONTEST

- | | |
|-----------------------|---------------|
| Lot 1. Home Economics | Lot 3. Health |
| 2. Agriculture | 4. Boy Scout |

SHEEP DEPARTMENT "S"

SUPERINTENDENT--

CLASS I SHEEP EXHIBIT

- Lot 1. Hampshire ewe lamb under a year
2. Rambouillet ewe lamb under a year
3. Hampshire ram lamb under a year
4. Rambouillet ram lamb under a year
5. Hampshire ewe over a year
6. Rambouillet ewe over a year
7. Hampshire ram over a year
8. Rambouillet ram over a year
9. Two animals any other recognized breed

SWINE DEPARTMENT "G"

SUPERINTENDENT--

CLASS I SWINE EXHIBIT

- Lot 1. Hampshire sow under one year
2. Hampshire boar under one year
3. Duroc Jersey sow under one year
4. Duroc Jersey boar under one year
5. Any other recognized breed sow under one year
6. Any other recognized breed boar under one year

DAIRY CATTLE DEPARTMENT "D"

SUPERINTENDENT--J.V. Langdon

CLASS I DAIRY EXHIBITS

- Lot 1. Jersey heifer
2. Jersey bull
3. Holstein heifer
4. Holstein bull
5. Guernsey heifer
6. Guernsey bull
7. Ayrshire heifer
8. Ayrshire bull
9. Fat stock, steers, or heifers--any breed

NOTE: All animals must be at least 60 days old and no bulls over one year may be entered.

POULTRY DEPARTMENT "P"

SUPERINTENDENT-- Newton Kell

CLASS I PIGEONS

- Lot 1. Utility pigeons
- 2. Fancy pigeons

CLASS II POULTRY (Mediterranean or egg class)

- 3. Leghorns, white
- 4. Leghorns, brown

CLASS III POULTRY (General Purpose breeds)

- 5. Rhode Island Red
- 6. Plymouth Rock
- 7. Australorp
- 8. Buff Orphington
- 9. White Rock
- 10. Any other standard breed

CLASS IV POULTRY (Ornamental breeds)

- 11. Bantams
- 12. Game
- 13. Any other standard breed

NOTE: All entries in Classes I, II, III, & IV will be single birds, any age or sex.

CLASS V EGGS

- Lot 14. One dozen brown eggs (one egg will be
- 15. One dozen white eggs broken by judges)

CLASS VI RABBITS

- 16. Senior buck, 8 mo. or over
- 17. Senior doe, 6 mo. or over
- 18. Junior buck, 4 mo. or under 8 mo.
- 19. Junior doe, 4 mo. or under 3 mo.
- 20. Baby buck, under 4 mo.
- 21. Baby doe, under 4 mo.

NOTE: Separate classifications will be made for breeds of 3 or more entries in any lot in Class VI

CLASS VII MISCELLANEOUS

- 22. Turkeys
- 23. Geese
- 24. Ducks

JUDGING DEPARTMENT "J"

AGRICULTURAL JUDGING CONTEST

CLASS I JUDGING

- Lot 1. Grammar School age
- 2. High School age

Entrants in High School or Grammar School will enter according to their school classification. Those not in school will enter in Lot 1 if 14 years old or under and in lot 2 if 15 years old or over.

Each group will judge 3 rings of livestock with four animals to the ring.

- 1. Any indication of communication with another entrant, or any unfairness will be sufficient reason for disqualification.
- 2. Notes may be taken while judging to aid contestants in writing reasons.
- 3. Written reasons will be taken on two classes.
- 4. Twelve minutes will be given to place each class.
- 5. Twelve minutes will be given contestants to write their reasons for each class.
- 6. Placing will count 100 points and reasons 100 points.

HOME ECONOMICS JUDGING CONTEST

All contestants in Home Economics Judging will be bound by the same general rules as apply to judging in Agriculture.

CLASS II GRAMMAR SCHOOL Contestants will judge the following articles:

- Lot 3. First year Baking, 4 plates muffins
- 4. First year Garment Making, 4 aprons
- 5. Second year Garment Making, 4 slips
- 6. Third & Fourth year Garment Making, 4 dresses with sleeves

CLASS III HIGH SCHOOL Contestants will judge the following articles:

- 7. Garment Making contestants will judge 4 dresses
- 8. Baking contestants will judge 4 butter loaf cakes

PETS DEPARTMENT "T"

SUPERINTENDENT--R.V. Cooper

CLASS I DOGS

Lots 1,2, & 3

CLASS II CATS

Lots 4,5, & 6

CLASS III BEST TRAINED DOG, ANY BREED

MANUAL ARTS DEPARTMENT "M"

SUPERINTENDENT--Clyde Caffey

Entries will be classified into classes and lots by the Superintendent according to the lots provided here.

CLASS I MODELS

- Lot 1. Boats
- 2. Airplanes
- 3. Autos

CLASS II FURNITURE

- Lot 4.
- 5.
- 6.

CLASS III TOYS

- Lot 7.
- 8.
- 9.

CLASS IV MECHANICAL DRAWING

- Lot 10.
- 11.
- 12.

CLASS V BEST EXHIBIT FROM HOME WORKSHOP

- Lot 13.
- 14.
- 15.

CLASS VI BEST EXHIBIT OF METAL WORK

- Lot 16.
- 17.
- 18.

CLASS VII HOUSEHOLD ARTICLES (Gadgets)

- Lot 19.
- 20.
- 21.

CAMP DEPARTMENT "C"

Entries will be divided into three groups by the Superintendent of the Department

CLASS I CAMP

- Lot 1.
- 2.
- 3.

HOUSEHOLD ARTS DEPARTMENT "HE"

SUPERINTENDENT--Miss Neva Layton

CLASS I CHILDREN'S SEWING (10-14)

- Lot 1. Tea towel
2. Hot dish holder
3. Apron
4. Kimona sleeve or sleeveless dress
5. Stocking darn
6. Shorts or panties
7. Slip
8. Cotton or linen school dress with sleeves
9. Stockinet patch
10. Pajamas
11. Smock
12. Dress--sport type
13. Child's sun or play suit
14. Hemmed patch
15. Slacks
16. Wool dress
17. Wool skirt and tailored blouse
18. Garment darn in wool
19. Child's outfit--one undergarment and a dress or suit
20. Expense account
21. Remodelled dress

CLASS II JUNIOR SEWING (14-18)

- Lot 22. Step-ins or shorts
23. Slip
24. Own dress--any material
25. Slacks
26. Tailored skirt
27. Blouse

CLASS III KNITTING

- Lot 28. Sweater, sleeveless
29. Sweater, with sleeves
30. Collar, or collar and cuff set
31. Knitting bag
32. Any article other than mentioned

BAKING DEPARTMENT "K"

SUPERINTENDENT--Miss Elizabeth Sherwood

CLASS I BAKING EXHIBITS (Children 10-14)

- Lot 1. Loaf baking powder nut bread
2. Baking powder biscuit, plate of 4
3. Gingerbread, small circle or square
4. Muffins, plate of 4
5. Sugar cookies, plate of 4
6. Any butter loaf cake, uniced (small size or section)
7. Cup cakes with uncooked icing, plate of 4

CLASS II BAKING EXHIBITS (Juniors 14-18)

- Lot 8. Molasses cookies, plate of 4
9. Oatmeal cookies, plate of 4
10. Sugar cookies, plate of 4
11. Chocolate cookies, plate of 4
12. Icebox cookies, plate of 4
13. Any kind butter loaf cake (small size)
14. Sponge cake (small size or section)
15. Angel food cake (small size or section)
16. White layer cake, any filling and icing (small size or section)
17. Chocolate layer cake, any filling and icing (small size or section)

CANDY DEPARTMENT "A"

SUPERINTENDENT--Miss Elizabeth Sherwood

CLASS I CANDY EXHIBITS

- Lot 1. Plate chocolate fudge
2. Plate divinity cream
3. Plate taffy
4. Lollypops or candied apple
5. Plate peanut brittle
6. Plate creams
7. Stuffed dates, plate
8. Penuche
9. Date candies
10. Candy other than mentioned.

HIGH SCHOOL HOME ECONOMICS DEPARTMENT "F"

SUPERINTENDENT--Miss Neva Layton

CLOTHING

CLASS I DRESSES

- Lot 1. Sports dress, cotton or linen
2. School or sports dress, rayon or silk
3. Afternoon dress, cotton
4. Afternoon dress, rayon or silk
6. Informal party dress, cotton
7. Slacks
8. Child's outfit

CLASS II SLEEPING GARMENTS

9. Pajamas (silk, cotton, rayon)
10. Nightgowns (silk, cotton, rayon)
11. Dressing robe or kimona (cotton, silk, rayon)

FOODS

CLASS III QUICK BREADS

- Lot 12. Corn bread
13. Nut bread
14. Biscuits, baking powder
or sour milk
15. Muffins
16. Gingerbread

CLASS IV COOKIES--Plate of 4

17. Molasses cookies
18. Ginger snaps
19. Oatmeal cookies
20. Sugar cookies
21. Honey cookies
22. Fudge squares
23. Icebox cookies
24. Filled cookies

CLASS V CAKES

25. Butter loaf cake, any kind
26. Sponge cake
27. Angel food cake
28. White layer cake--any icing
29. Chocolate layer cake--
any icing

Yes - the same mattress - inner spring -
all made by Home Furnishing Groups. And
is it a good mattress!

Springs - 1.50

Cover - 1.25

Cotton - Gift of interested
cotton buyer

Bags! Hat Bags! Laundry Bags! Button Bags!
scrap bags - knitting bags - shoe bags -
shopping bags; Plain and Fancy - and a lot
more that don't show!
Demonstration material used in 4-H Clubs,
Clothing groups, Home Furnishing groups and
Christmas gifts. Give a woman a new pattern
and she'll be back to the next meeting.

The Gleeson Hills seen from the center of Cochise County. The picture was painted by Miss Prudence Andrews of Webb. Members of the Valley Woman's Club made the frame, drawing their own design, then stippling the background with a nail and hammer, then gilding. This method has been used to re-finish many articles not good enough to paint, stain or wax in Home Furnishing groups.

HOOKED RUGS

The one on the ground cost 45¢ for dye. Made by the Stewart women in a Home Furnishing group. Made with a patent hook.

The Rug above was made from stockings and underwear with no cost. The pattern was drawn on burlap and hooked with a crochet hook.

QUILTS

From left to right these quilts were made by Homemaker's Groups as follows: Stewart, Mother's Club at Webb, Sulphur Springs Homemaker's, Valley Woman's Club, Sulphur Springs Homemakers. These quilts show hours of work and fun and were made for a community project. From Sulphur Springs a quilt is sent the Children's Home in Tucson each year. At Webb an emergency quilt is kept in reserve, etc.

Cochise Aid

One day was spent in helping to plan for a Bazaar. Ideas for gifts for the home brought out many helpful ideas.

One day was spent with the Douglas Woman's Club on Home Improvement.

The Agent gave 3 demonstrations on Emergency Storage Spaces. The Agent is indebted to Miss Huber for this subject matter.

Christmas Presents

Attractive presents for Christmas, which covers a miscellaneous group, such as blankets, gifts, menus, candies and table decorations, has been prepared for December meetings.

4-H Home Furnishings. See pages 41, 42

4-H Handicraft Clubs. See pages 43 to 46 inc.

HOME HEALTH AND SANITATION

In the absence of the Cochise County Health Nurse the Agent had charge of one meeting at Cochise in the Caring for the Sick at Home. This included care of patient, the bed, the room and the family.

4-H Health Club. See pages 47 to 49 inc.

4-H Camp Clubs. See pages 50 to 55 inc.

Bertha Virmond, Cochise County, Arizona. 1938.

MISCELLANEOUS

County Fair

5 days were spent helping with the County Fair. A change of committee heads made this work rather strenuous. Most of the exhibits came from the north end of the county and these must be collected and sorted as it is impossible to take everything. Answering the question "Is this worth taking?" was the Agent's responsibility for several days. However, the loyalty of the women to abide by this decision was worth much to the Agent. The women enjoy Fair work and the County Fair has done much to set up better standards in all phases of Home-making. Through exhibits the women are able to judge their own efforts, and since this is the only school where they can get this information, County Fairs seem to justify their existence in this county.

Harvest Festival

The Stewart Homemakers held their annual Achievement Day with an extensive exhibit in Canning, Rugs, Needlework, Quilts, Homemade conveniences and Garden Products and this exhibit was held in Willcox in the County Agent's Office.

St. David Local Fair

The Agent takes no credit for this event this year. But since she has assisted in the past is reporting that the Fair was held again this year with Miss Frances L. Brown acting as judge.

Education Leave

The Agent was granted special leave to visit the Los Angeles Fair and Farm Bureau achievement in Southern California. The Agent found this experience very worthwhile, especially the 4-H exhibits.

Vocational High School Co-operating

The Agent gave 3 demonstrations before the Home Economics Club of the Willcox High School. With the permission of the Director, the Home Economics Section of their High School Fair was judged.

Garden Club

Help has been given the Stewart Garden Club, in securing speakers, exchanging seeds and plants, planning programs, correspondence, and arranging for joint meetings with other clubs, also flower arrangement. However, the Agent does not attend these meetings regularly and takes no credit for their very fine work.

Bertha Virmond, Cochise County, Arizona. 1938.

Club Houses

Help was given the Webb Mother's Club in planning a Club House.

Other Clubs & Organizations

One demonstration was given the Douglas Woman's Club.

The Cactus Club of the Smelter district had two demonstration.

Willcox Rotary Club honored the state winners and the County Agents at a dinner. Margaret Ellis and Ted Burnett responded.

The Willcox Woman's Club gave a tea in honor of Margaret Ellis, 4-H winner, who attended the National 4-H Club Congress as the State Canning champion and her mother, Mrs. H. L. Ellis who was the State Winner in Adult Canning.

Santa Cruz County

The Agent talked to the Elgin Community Club and Sonoita Sewing Circle. She was also invited to judge their County Fair but on account of a conflicting date couldn't accept the invitation.

Farm Bureau

Assistance was given the president of the Double Adobe Local in making reports of junior work in the community.

The County Farm Bureau held a celebration at Elfrida. The 4-H clubs acted as hostesses.

The Double Adobe Farm Bureau invited the Agent to attend a dinner in honor of the 4-H Clubs. At this time the radio won by the Social Progress 4-H Club was presented to the Community.

Conferences

The Agent attended the Annual Extension Conference and the Annual 4-H Round-up in Tucson.

W. P. A.

One demonstration was given the W. P. A. group in Bisbee.

Magazines

The office has served as an exchange for magazines. Magazines are collected and carried from group to group.

Bertha Virmond, Cochise County, Arizona. 1938.

4-H CLUB WORK

History - 4-H Clubs have been organized and continued work under the Home Demonstration Agent since 1930. Previous annual reports give a detailed history of various clubs, enrollements and completions.

4-H Club Work has continued to grow until such clubs have been scattered over the greater part of the rural districts in the County. Our Club Work is organized as winter clubs and summer clubs. The winter clubs are usually under the leadership of the local teacher. Since most of our children are carried from home to school on the bus it is necessary to use school time for the business meetings and instruction in project work. After this has been outlined the 4-H members do most of the actual work in the home. In some ways the organization of 4-H Clubs within a rural school has the advantage of having the children together and on time.

During the summer, Club Work is organized under the leadership of some woman in the community who is willing to take on the responsibility. Such clubs are usually devoted to work in canning, food preparation, baking and sewing. Achievement days are held twice a year, in August to care for the summer clubs and in April and May to care for the winter clubs. Club Work has been organized in the following communities: Dragoon, Stewart, Pearce, Webb, Whitewater, Texas School, Double Adobe, Forest Station, Riggs Settlement, Rucker Canyon and Portal. And the following projects have been completed: baking, canning, garment making, home furnishings, handicraft, health camp, music appreciation and Social Progress.

62 boys and 109 girls were enrolled during the year and 61 boys and 101 girls completed their work. It speaks well for the boys in Cochise county when there was only one who did not complete his work. The girls will have to hustle to keep up with them, even with their good record of only 8 incompletes.

6 judging teams and 24 demonstration teams have been trained. Of this number 4 judging teams and 2 demonstration teams represented Cochise County at the Annual 4-H Round-up in Tucson in September. They all received awards according to the following page.

4-H STATE AWARDS FOR COCHISE COUNTY

Best baking club girl (award trip to Chicago) won by Rose Grantham of Webb
Best canning club girl (award trip to Chicago) won by Barbara Porter of Double Adobe
Handicraft (award 17-jewel gold case watch) won by Bob McPherson of Elfrida
Maybelle Ollson of Webb won fourth place in the Dress Revue Contest
Margaret Ellis of Stewart placed first in the wash dress class in Style Revue

Judging Team Contests

Junior Division Sewing

Estelle Seney and Betty Brooks of Stewart won second place, with Estelle Seney winning first in individual judging in sewing.

Junior Division Baking

Foncie Gillespie and Shirley McPherson of Whitewater won third place, with Foncie Gillespie winning first place in individual judging in baking.

Senior Division Sewing

Winona Langford and Merle Graham of Cochise won second place, with Merle Graham winning third in individual judging in senior sewing.

Senior Division Canning

Margaret Ellis of Stewart and Barbara Porter of Double Adobe won first place, with Barbara Porter winning second and Margaret Ellis third in individual judging in senior canning.

Demonstration Team Contests

Junior Division Baking

Mary Edith Hewett and Charlotte Patterson of Whitewater won second place.

Junior Division Miscellaneous

(a Camp Club demonstration)

Nathalia Thompson and Audrey Deane Amberson of Texas School won first place.

Social Progress Award - Second place to Cochise County. "Little Tex" Camp Club - Mrs. Maria Dillman Leader.

Three Arizona 4-H Girls Win Trips To Chicago

Barbara Porter, 18, of McNeal, is one of the Arizona delegation to the 17th National 4-H Club Congress opening November 25 in Chicago. Awarded by State Club Leader H. R. Baker for the state's most worthy record in canning projects, the trip culminates a seven-year enrollment. She completed 12 projects among which she canned 756 pints of foods, baked 200 times, and won cash prizes on exhibits. Total value of her 4-H products exceeds \$50.00. She will compete with other winners in the Western Section for a \$200 college scholarship provided with trips and county awards by the Kerr Glass Company.

Sarah Cowan, 20, of Phoenix named Arizona's "all-around" 4-H Club Girl, receives a trip to Chicago event on a superior seven-year record. She completed 16 projects in meal planning, garment making, leadership, health and baking, and gave four public demonstrations, entered two judging contests and won first in the county and first in her division of the state dress revue. She served one year as leader of a club of 49 members. Total value of her 4-H work is certified at \$159.08. She will compete for Western honors, winner of which shares in five college scholarships totalling \$1200 provided with state trips and county medals by Montgomery Ward in supporting the contest for the sixteenth consecutive year.

Rose Grantham, 17, of Webb, is a Chicago trip winner for outstanding work in food preparation in her 5-year enrollment. She was state baking demonstration champion last year, bak-

ELFRIDA 4-H BOY WINS STATE HANDICRAFT AWARD

Bob McPherson, 15, of Elfrida, has received state recognition for his 4-H handicraft projects through a new national contest conducted by the extension service.

In two years he made two chairs, a book case, match scratcher, wash bench, and game puzzle, all valued at \$10.00. Materials cost only 60 cents, representing a \$9.40 saving. Bob also helped his father build a house, and painted the home kitchen.

For his ambitious record he receives the state prize, a 17 jewel gold watch given by the Dutch Kraft Corporation. An Oregon boy was named winner in the western extension section and awarded a trip to the 17th National 4-H Club Congress in Chicago. Winner of the national \$300 college scholarship was a Michigan boy.

ed 835 articles, gave four demonstrations and entered three judging contests to win first in the state.

Miss Grantham will compete with other winners from the Western Extension Section for one of two Electrolux refrigerators given by Servel, Inc., and also for national scholarship awards provided by the same firm of \$400, \$300, \$200 and \$100.

4-H Baking

History - See 1937 report.

4-H Baking clubs were organized under the leadership of Mrs. Geo. Kelly at Whitewater. 10 girls and 3 boys completed one year of work and 7 of these girls completed the second year in a summer club. 10 demonstration teams and 2 judging teams were trained. One demonstration team placed second in the state contest at the 4-H Round-up. One of the judging teams won third place in junior division baking with Foncie Gillespie winning first in individual judging.

Sole work in baking was completed by Barbara Porter, Double Adobe and Rose Grantham, Webb. Rose was selected as the outstanding 4-H Baking Girl in the County and State and won a trip to the National 4-H Club Congress in Chicago in November.

The Agent spent 13 days with this project and the Specialist one. The work was carried on in 3 communities with one leader assisting 20 days. The Agent gave 16 method demonstrations and the leader 33. 3 circular letters were issued, 25 homes visited and 1 office call received in connection with 4-H Baking.

4-H CANNING

History - See 1932, 1933, 1934, 1935, 1936, and 1937 reports.

Seven girls were enrolled in a non-standard club, each doing solo work in Canning. 6 of these girls completed club requirements. A report of only 527 quarts has been received but the Agent feels that the girls have not done themselves credit in their reports.

Barbara Porter has been the outstanding canner. She has not only completed her club requirements but has assisted in the family canning and helped neighbors. She won the State Kerr Contest and is attending the National 4-H Club Congress in Chicago.

1 judging team was trained, which was taken to the 4-H Round-up where the team placed first in the state contest. Barbara Porter won second and Margaret Ellis third in individual judging.

The Agent devoted 10 days to 4-H Canning which was conducted in 4 different communities. 7 home visits were made and 3 office calls received in the interest of this project.

Bertha Virmond, Cochise County, Arizona. 1938.

4-H GARMENT MAKING

History - See 1930, 1931, 1932, 1933, 1934, 1935, 1936 and 1937 reports.

4-H garment making clubs were the first clubs organized in this county by the present Agent. These have been running for the past nine years.

These clubs are organized as winter and as summer clubs so that in one year a girl may complete two years in sewing but receive a club pin for only one year. 10 communities have been organized for the work in garment making with an enrollment of 83 girls and 75 completing, the following communities participating: Double Adobe, Webb, Stewart, Gleeson, Pearce, Rucker Canyon, Dragoon, Riggs Settlement, Forest Station and Cochise. Five years in sewing was offered in most communities and in many clubs one leader would have charge of first, second, third and fifth years.

Each club had some kind of an achievement day. As a rule these were planned so that the judging of the garments would take place during the day and a public achievement program held in the evening. Mrs. Oakley, Assistant County Home Demonstration Agent for Maricopa County, took care of the judging and the awards were made by Mr. H. R. Baker, Club Specialist.

Judging teams were trained with groups at Stewart and Cochise, 1 at Stewart and 2 at Cochise. A judging team was selected from the Cochise group and the judging team from Stewart, to represent the county in the state judging contest. The judging team from Stewart placed second in the junior division with Estelle Seney winning first in individual judging in sewing. The Cochise team placed second with Merle Graham winning third in individual judging in the senior division.

Demonstration teams were trained at Dragoon but no team was sent to the State Contest.

In each group a Style Revue was presented on their achievement program. This is considered a valuable part of their training as in their fifth year work this is a requirement so all girls model their aprons and dresses in all five years. The garment making girls of the county took part in a Dress Revue that was given at Double Adobe. Girls from Stewart drove 150 miles to take part in this even.

County Dress Revue

6 girls took part in the 5th year Dress Revue. Margaret Ellis

Bertha Virmond, Cochise County, Arizona. 1938.

A 4-H Girl must
learn to knit.
This is Carol's
First lesson with
a spool, 4 pins
and a scrap of
yarn. And she's
really going
places!

Our youngest 4-H Girl. She is wearing her blue ribbon apron and is trying to show you how to make a cover for her gift glass of jelly. She is twisting crepe paper and her brother is pasting this on the outside of the glass. The cover is removable, very colorful and such fun to make.

placed first but because she could not compete in the state she was only awarded 1st in the School Dress Class and first honors went to Maybelle Ollson with Barbara Porter, our canning champion, placing second in sewing.

In the State Round-up Margaret Ellis placed first in the School Dress Class and Maybelle Ollson went to fourth place in the Dress Revue.

The Agent devoted 36 days to this project, which is the largest of the 4-H projects and the Specialists gave 4 days time. 12 leaders assisted a total of 250 days giving 119 demonstrations. The Agent gave 70 method demonstrations, wrote 7 circular letters, made 44 home visits and received 46 office calls on this project.

4-H HOME FURNISHINGS CLUB

One 4-H Home Furnishings Club at Double Adobe under the Leadership of Mrs. Thurman completed all requirements. 10 girls were enrolled and completed. Six rooms were re-arranged according to recommendations. 55 articles were made, which include 5 pairs of curtains, 1 writing desk refinished, 5 chairs repaired and refinished, 1 bed spread, 3 rugs, 10 book ends, 4 pair of pillow cases, 10 dresser covers, 8 shoebags, 4 hat boxes and other small articles.

4 days of the Agent's time were given to this new 4-H project. The Specialist assisted $1\frac{1}{2}$ days and the leader assisted 11 days, giving 11 demonstrations. The Agent gave 7 method demonstrations and made 5 home visits in connection with 4-H Home Furnishings.

4-H HANDICRAFT

History - See 1936 and 1937 reports.

Handicraft Clubs have been a part of the 4-H Program for the past three years. The the first and second years the boys completed 100%. The past year 31 boys were enrolled and 30 completed. The missing lad moved away.

Clubs were organized at Pearse, Double Adobe and Whitewater. Excellent work was completed in each group. Bob McPherson was the outstanding Handicraft boy in the County and State and received the gold watch offered by the Dutch-Craft Corp.

2 demonstration teams were trained in the group at Whitewater but no team was sent to the 4-H Round-up.

Exhibits were made at local achievements and at the County Fair in Douglas.

The Agent spent 7 days with Handicraft projects and the Specialist assisted $1\frac{1}{2}$ days. This work was conducted in 3 communities with 3 leaders giving 32 days of their time. The Agent gave 23 method demonstrations and the leaders 42. 14 home visits were made and 8 office calls received in the interest of the project.

4-H HEALTH

History - See 1930, 1931, 1932, 1933, 1934, 1935, 1936 and 1937 reports.

While the Health Program was apart of all 4-H Clubs, the Double Adobe continued their fourth year. Sue to illness in the community it was decided not to enter the State Demonstration Contest. This is the first year that the Double Adobe group has not competed in Health Contests. However, they met all other requirements.

8 boys and 10 girls completed the health requirements. The Agent devoted 16 days and the specialist 3/4 day. The leader gave 6 days in which time she gave 6 demonstrations.

Bertha Virmond, Cochise County, Arizona. 1938.

4-H CAMP

History - See 1937 report.

4-H Camp Clubs at Riggs Settlement, Dragoon, Rucker Canyon, Portal and Texas School completed work as outlined. 21 boys and 4 girls were enrolled with only one boy who did not complete.

Outstanding was the collection of native grasses by the Riggs Settlement Club. 139 varieties of native grasses have been mounted and classified. Specimens which they were not able to classify were sent to the University and through the kindness of Dr. J. J. Thornber the classification has been completed and is of much interest to the community.

10 demonstration teams were trained, 3 at Dragoon and 7 at Texas School. A demonstration team from "Little Tex" represented Cochise County in the junior division of miscellaneous demonstrations and placed first in the state

The Agent gave 10 days of her time to this project with 3 days assistance from the specialist. 5 leaders devoted 31 days giving 55 demonstrations. The Agent gave 40 demonstrations, made 8 home visits and received 5 office calls in connection with this work.

Bertha Virmond, Cochise County, Arizona. 1938.

4-H MUSIC APPRECIATION

History - See 1936 and 1937 reports.

4-H Music Appreciation Clubs are in their third year. During the past year good work was done by the Riggs Settlement, Forest Station and Double Adobe Clubs. This is the first year the Riggs Settlement has been interested in Club Work. They have made a good record in Camp, sewing and Music Appreciation. They were fortunate in having an excellent leader who was a trained musician. They sent four of their number to the annual Round-up and they persuaded three parents to accompany them at their own expense.

20 boys and 20 girls were enrolled in this project and all completed but one. The Agent devoted 4 days and the specialist $1\frac{1}{2}$ days. 4 leaders devoted 27 days. The Agent issued 2 circular letters, made 3 home visits and received 4 office calls in the interest of 4-H Music Appreciation.

Bertha Virmond, Cochise County, Arizona. 1938.

4-H SOCIAL PROGRESS CLUB

This is the third year that Cochise County has been enrolled in the Social Progress contest, winning the State Award in 1937, the county placed second in 1938. The enclosed report of the winning club tell the story of their achievements.

"LITTLE TEX" Cochise County's Champion Club

In reviewing the achievements of various clubs in Cochise County the Home Demonstration Agent has selected "Little Tex" 4-H Camp Club as the outstanding club in the county, worthy of the recommendation for Social Progress award. Club Work in this community has been carried on for eight years. The first club was organized by Mrs. Lucy Thurman, who sponsored the winning club in another community last year. Since that time leaders have been Mrs. Irene Gibbens, Mrs. Geo. Whitfield, Mrs. E. G. Schuelke and Mrs. Maria Dillman. Mrs. Dillman is perhaps the outstanding leader in the county. Her experience has covered a term of six years and her clubs have always been among the best in the county.

It is interesting to have a picture in mind of this little club. It is one of the oldest schoolhouses in the county, surrounded by mesquite with beautiful mountains in the distance. The interior of this schoolhouse is as poorly equipped as any schoolhouse in the county.

In September the agent called to see whether or not the group would be interested in Club Work. She found thirteen girls and boys, only six of club age. This band of six were very enthusiastic in their demands for Club Work. They have completed their requirements, not only for first year camp but for second year. To emphasize how well they have completed their requirements, this small group has collected and mounted fifty-nine varieties of wild flowers and ninety-five varieties of grasses. At the County Fair a prize of \$7.50 was offered for the best collection of range grasses. It is interesting to note that these small youngsters, the oldest being twelve years of age, won first place over a student from the University of Arizona, who is enrolled in the school of agriculture but whose exhibit numbered around fifty specimens. This purse of \$7.50 has been the means of supplying all of the money actually spent in carrying on Club Work in this community.

Bertha Virmond, Cochise County, Arizona. 1938.

Besides the first and second year in camp work all thirteen children have been given piano lessons by their leader and all thirteen played the piano at their public achievement in May. Requirements for music appreciation have been met and all thirteen children had a part in directing musical numbers on their achievement. When the Farm Bureau needed a musical program this small group was called on to provide it. The secretary of the Chamber of Commerce, Mr. McCue, was so impressed with the talent of these children that he invited them to come to Douglas and give a fifteen minute program before the Chamber of Commerce. On this date the whole group was taken to visit the smelter, the ice plant, the telephone, bottling works and fire department. After this performance they were invited to sing on the Mickey Mouse program in Douglas. The president with her guitar led the group.

Nature study other than the requirements for a camp club has been an interesting part of this years work. Their study and collection of bugs, insects, birds nests, etc. would have made up a club requirement.

During the Christmas program these children served their parents with refreshments which they had made themselves. At the close of school they presented the state club leader, the home demonstrations agent and the judge with a beautiful box of candy, which they had made.

Their business meetings have been as well conducted as any business meetings in the county. Their committees took their work seriously.

Besides the usual Thanksgiving, Christmas, Washington Birthday and Easter programs the club sponsored an all night picnic for ten of the parents in Rucker Canyon. The boys and girls did all of the cooking at this time. A similar camp was held in the Granites.

On their achievement program a contest was held in which all thirteen members took part in a public demonstration. The demonstration given by Audrey Deane Amberson and Nathalia Thompson was declared the best in the county and they will compete at the state Round-up against other teams enrolled in handicraft, camp and miscellaneous projects.

The Agent is glad to recommend this group for consideration in the Social Progress Contest.

Bertha Virmond, Cochise County, Arizona. 1938.

JUNIOR 4-H CLUBS

Because it is necessary for the one teacher school to have a means of keeping Juniors busy, a plan was worked out where all children under ten were put into a group by themselves. They were organized as Junior Health Clubs, doing a Health Program worked out by their Leader, County Nurse and Home Demonstration Agent. While no credit is taken for this work, the Agent has co-operated and feels that many friends have been made for future 4-H Club Work.

At the 4-H Round-up three little junior girls, who had completed garment making projects, styled their dresses as an added feature of the state Dress Revue.

MISCELLANEOUS 4-H CLUB WORK

The Pearce High School Board co-operated in giving their bus and driver to take the delegates to the State Round-up.

The Valley Woman's Club paid the way of Mrs. Geo. Kelly to Tucson to the Round-up.

The Willcox Rotary Club entertained Miss Margaret Ellis, State winner in Canning and Ted Burnett, state winning calf club boy at a luncheon in Willcox.

The Willcox Woman's Club of Willcox gave a complimentary luncheon honoring Miss Margaret Ellis, state 4-H winner in canning and her mother state winner in the Kerr Adult Contest.

ASSISTANCE FROM STATE OFFICE

December 7 to 11 - Miss Thelma Huber - Christmas Suggestions and
Home Accounts

January 17 to 22 - Mrs. Margaret Watson - Clothing, Knitting Classes

6, 7 - Miss Grace Ryan - " " "
14 - Mr. H. R. Baker - Office Call

OUTLOOK AND RECOMMENDATIONS

The outlook for Home Demonstration work in Cochise County is encouraging. More requests have been received than can possibly be taken care of.

The prospect of a Rural Electrification Project in this county will mean additional work, information and training.

All organizations will continue as in the past years. It is hoped that county leader's meetings in both adult and 4-H clubs can be held.

SUMMARY

In summarizing the Home Demonstration Agent's report for 1938 she has the following to offer. 102 days spent in the office and 196 days in the field. This time has been divided among 20 communities. The approximate enrollment for adult clubs has been 1331 members. The work in the county had been divided into the following projects: Food Preparation, Food Preservation, Clothing, Home Management, Home Furnishings, Home Health and miscellaneous work. 322 method demonstrations were presented to adult groups with an attendance of 4496.

Food Preparation

In reviewing the food preparation work the Agent has spent 28 days on this project, has visited 8 communities with 27 method demonstrations. According to office records 26 office calls have been received. This does not include casual contacts in the field of which there were many. The method demonstrations covered the following suggestions: sandwiches, lunch boxes, butterless cakes, ice-cream, foods for hot weather, summer drinks, bread making, use of evaporated milk, special holiday suggestions and the emergency meal shelf.

In each group considerable time has been spent on the discussion of foundations of nutrition in connection with food preparation demonstrations.

Food Preservation

Food preservation has been a major project in this county during the past ten years. Practically every community has been visited, whether they were regularly enrolled in project work or simply requesting special information on canning. 20 days were spent in five communities, the Agent giving 19 method demonstrations. 20 farm homes were visited and 76 office calls received asking for information.

Based on report of Homemakers' clubs, the Agent estimates 41,000 quarts canned during the year. This figure is undoubtedly very low.

In planning the work in food preservation, demonstrations covered the following set up: fruits and tomatoes, non-acid vegetables, jellies, use of pressure cooker, use of sealer, use of canned foods. The canning of meats is divided into two types of demonstrations, one for the group that wants general information on a variety of meats, the second where a farmer or community wishes to can a whole beef.

In connection with the food preservation much time has been spent in overseeing exhibits for the Harvest Festival, the County Fair in Douglas and the Kerr Contest. Cochise County farm women have been fortunate in winning state honors for the past six years.

Bertha Virmond, Cochise County, Arizona. 1938.

Clothing

The work in clothing has been divided into Knitting, supervised by the Specialist and a series of demonstrations by the Agent known as "Helps in Home Sewing".

29 days were spent on clothing with 51 method demonstrations, 13 home visits and 50 office calls.

All of the knitting was supervised by Mrs. Margaret Watson, Clothing Specialist. The work covered six communities in the following locations, Cochise, Stewart, Sulphur Springs, Riggs Settlement, Valley Woman's Club and South Bisbee. A series of 6 demonstrations was given each community. 100 women were enrolled and 65 garments have been reported other than small knitting problems.

In Home Sewing the Agent has given 15 demonstrations. The most important piece of work in home sewing was accomplished by the Valley Woman's Club. Thirty women enrolled in the project and finished with 18 women taking part in a dress revue. Each woman made a house dress, trying to use the recommendations that had been suggested.

Reviving an old demonstration, women in the Riggs Settlement and Forest Station asked for help in the making of dress forms. The Agent had expected about 6 and not more than 10 women to cooperate. In the final count 38 dress forms were made and the women seemed very much pleased with this help for home sewing. Personal assistance has been given, the Agent assisting 11 women with fitting garments and 4 with alteration of patterns.

Home Management

The work in home management has been largely supervised by Miss Thelma Huber, Home Management Specialist, who has spent 10½ days in the county. The Agent has spent 21 days and the combined work has been carried on in 13 communities. 30 demonstrations have been given and 19 office calls received.

Home Accounts - Under the supervision of the Specialist 17 women have been enrolled in home accounts. At this time it is not possible to give a summary of the completions for the year.

Cleaning demonstrations as outlined by the Specialist have been given by the Agent in the communities where it was impossible for the Specialist to contact groups. These demonstrations followed the Specialist's subject as near as possible. At this time 18 communities have been given this demonstration.

Filing cabinets have been made with all groups carrying home accounts. The women have been quite interested in an inexpensive container that will keep their bills in order.

The Agent was responsible for contacting the Horticultural Specialist and the County Agent for a demonstration on the pruning of roses and other other subject matter of interest to the Garden Club.

More such demonstrations have been asked for.

Home Furnishings

The Agent has spent 26 days on home furnishings and the Specialist 5. 40 office calls have been answered. Under the supervision of the Specialist two work meetings have been held. At one of these 17 kitchen stools, knife and fork boxes, broom holders and spice shelves were finished. At a follow up meeting 9 shoe racks were completed, and a special demonstration on the finishing of new wood. Other assistance from the Specialist includes a demonstration on Emergency Storage space in the small home, the Principles of Furniture Arrangement followed by a demonstration. Both the Agent and Specialist gave demonstrations on Christmas presents that could be made in the home for the home. The Agent gave two demonstrations on the selection of curtains.

Home Health

The Cochise Pioneer Club had arrangements made with the County Nurse to give this demonstration. When the meeting was cancelled this group asked the Agent to take over the work and considerable time was spent in working up a demonstration on home care of the sick, which the Agent found very helpful to herself and which the women seemed to appreciate.

Miscellaneous

Besides project work the Agent has been called on to help with miscellaneous work which seems to have no special heading. Under this heading she has spent a week in the interest of the County Fair, 3 days with the Harvest Festival in Willcox, 2 days with the Garden Club, 1 day as guest at the Douglas Woman's Club, 3 days were spent in Santa Cruz County, answering a special request from groups at Elgin, Sonoita and Patagonia. Assistance has been given the Farm Bureau in connection with their county celebration, County picnic and local organization at Double Adobe. The Agent judged at the Willcox High School Fair and has given assistance to the W.P.A. in Bisbee. The Agent attended the Annual Conference in Tucson in January, the 4-H Round-up in Tucson in September and the Los Angeles County Fair at Pomona.

4-H Club Work

Fully 50% of the Agent's time has been devoted to 4-H Club Work. An effort has been made to combine adult and junior work in communities where Homemaker's clubs have been organized. The Agent has been able to look after 4-H Club Work with the addition of very little mileage or other expenses.

During the year 62 boys and 109 girls were enrolled. Only one boy failed to complete and only 8 girls. This is the best percentage of completion that this county has ever had and we are particularly proud of the record made by the boys. 6 judging teams were trained and 24 dem

onstration teams. 4 judging and 2 demonstration teams were taken to the State Round-up. A record of the awards, etc. can be found on page 21.

4-H Club Work was divided into the following projects:
Baking, Canning, Garment Making, Home Furnishings, Handicraft, Health, Camp, Music Appreciation, Social Progress and Junior.

4-H Baking

4-H baking clubs were organized in Whitewater with solo workers in Webb and Double Adobe. The Agent devoted 13 days and gave 16 method demonstrations to these groups. 25 home visits were made and 1 day of help from the Specialist. Outstanding in this group was the work done by Rose Grantham, who won the state award and received the Chicago trip.

4-H Canning

A non-standard club, composed of 7 girls too far apart for regular meetings, each completed two or more years in canning. Outstanding work was done by Barbara porter, who was awarded the Kerr Trip to Chicago.

4-H Garment Making

83 girls were enrolled in garment making with 75 completing. This represents work in first, second, third, fourth and fifth year sewing. 12 leaders assisted in this group, giving 260 days work. The Agent gave 70 method demonstrations and made 44 home visits, receiving 46 office calls in the interest of 4-H garment making.

A county achievement day was held at Double Adobe at which time the county winners were named by Mrs. Oakley, who was responsible for the judging sewing clubs.

4-H Home Furnishings

One home furnishings club was organized at Double Adobe with 10 girls enrolled. 55 articles were made, 6 rooms remodelled, 5 home visits by the Agent and 7 method demonstrations given by the Agent.

4-H Handicraft

Handicraft clubs have been the banner clubs in the county when it comes to completions for the past three years. In the three years in which we have had handicraft clubs one boy has failed to complete. Otherwise our record would be 100% over a period of three years. 2 demonstration teams were trained and local exhibits were made in the local clubs and at the County Fair.

The Agent assisted with 23 method demonstration and made 14 home visits. 8 office calls were received.

Outstanding in this group was the work done by Bob McPherson who received the state award of a gold watch paid for by the Dutch Craft Paint Company.

4-H Health

One health club at Double Adobe completed their requirements with mediocre records.

4-H Camp

21 boys and 4 girls were enrolled in camp clubs. From this group 10 demonstration teams were trained. 10 days of the Agent's time was devoted to camp clubs. The Specialist assisted 3 days, 5 leaders devoted 31 days and giving 35 demonstrations to various groups. The Agent made 8 home visits and received 5 office calls in the interest of this group.

Outstanding in the record of 4-H Camp clubs was the work of the "Little Texas" School and the Riggs Settlement School. Each of these groups made a worthwhile collection of native grasses. The Riggs Settlement group exhibited 139 varieties of wild grasses at the County Fair.

4-H Music Appreciation

Regular Music Appreciation clubs were organized at Forest Station, Double Adobe and Riggs Settlement. 20 girls and 20 boys were enrolled in this group. One boy failed to complete. This was one of the new clubs in the county and the Agent, not being musical, has been able to do very little for these clubs. This makes her doubly appreciative of the work that was done by the leaders.

Social Progress

Social progress award - The outstanding club of the county was the Social Progress Club under Mrs. Maria Dillman, the outstanding leader of the county for last year. This club rated second in the state and has received a book in music appreciation as their special award.

4-H Junior Clubs

An unclassified group of juniors have done a remarkable piece of work in the county. For this reason the Agent has reported work by juniors under 10 as junior 4-H clubs. While no credit is taken for this group and no awards made, about 20 girls and boys completed the equivalent of one year in club work.

Bertha Virmond, Cochise County, Arizona. 1938.

PLAN OF HOME DEMONSTRATION WORK FOR 1939

BY PROJECTS AND COMMUNITIES

Cochise County

Adult
